PROJECT NAME: NYC BBJ Brooklyn Dismantle

PROJECT#: BBJ-KDSS

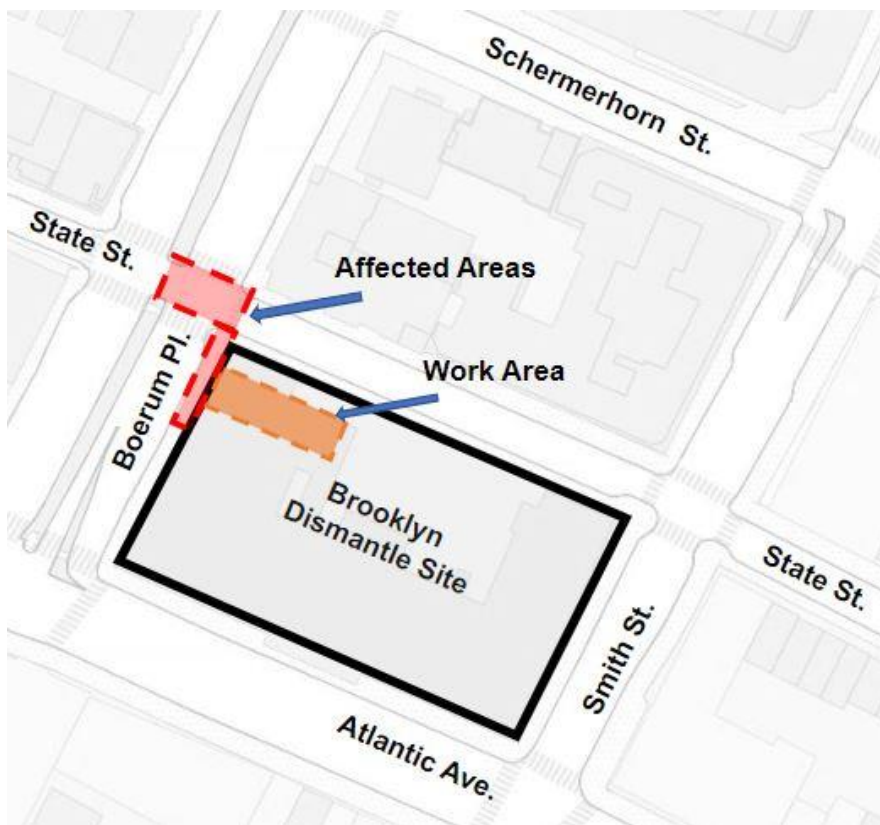

BOROUGH: BROOKLYN

ADVISORY ISSUED: (3/8/24)

Site Truck Deliveries

Projected to begin on March 13th and continue throughout the end of the month.

Continuing with the dismantling of the Brooklyn Detention Center, delivery of fill material to the dismantling site will commence. The fill material will be spread around the interior of the foundation to prevent perimeter soil from shifting inward. Periodic traffic and pedestrian impacts at the intersection of Boerum Place and State Street are expected during these deliveries. Noise is expected, and flaggers will periodically halt vehicular and pedestrian traffic when trucks enter and leave the site. Deliveries will take place from 7:00 am to 9:00 pm.
