PROJECT NAME: NYC BBJ Brooklyn Facility

PROJECT#: BBJ-KFAC

BOROUGH: BROOKLYN

ADVISORY ISSUED: (10/4/24)

## Sidewalk Access Restrictions

**Planned to begin 10/7/24 and go through 10/18/24.**

In preparation for the construction of the new Brooklyn Detention Center, modifications to the existing DOC officer booth on the north side of State St. will be made as well as the installation of a new NYPD officer booth. The DOC booth will be moved towards the building edge to prepare for future perimeter fence extensions and street traffic restrictions. A 5-foot pedestrian walkway will be maintained at all times during this work and flaggers will direct pedestrians and vehicles as necessary. Noise, vibrations, and periodic traffic and pedestrian impacts are expected during this work.
