PROJECT NAME: NYC BBJ Brooklyn Facility

PROJECT#: BBJ-KFAC

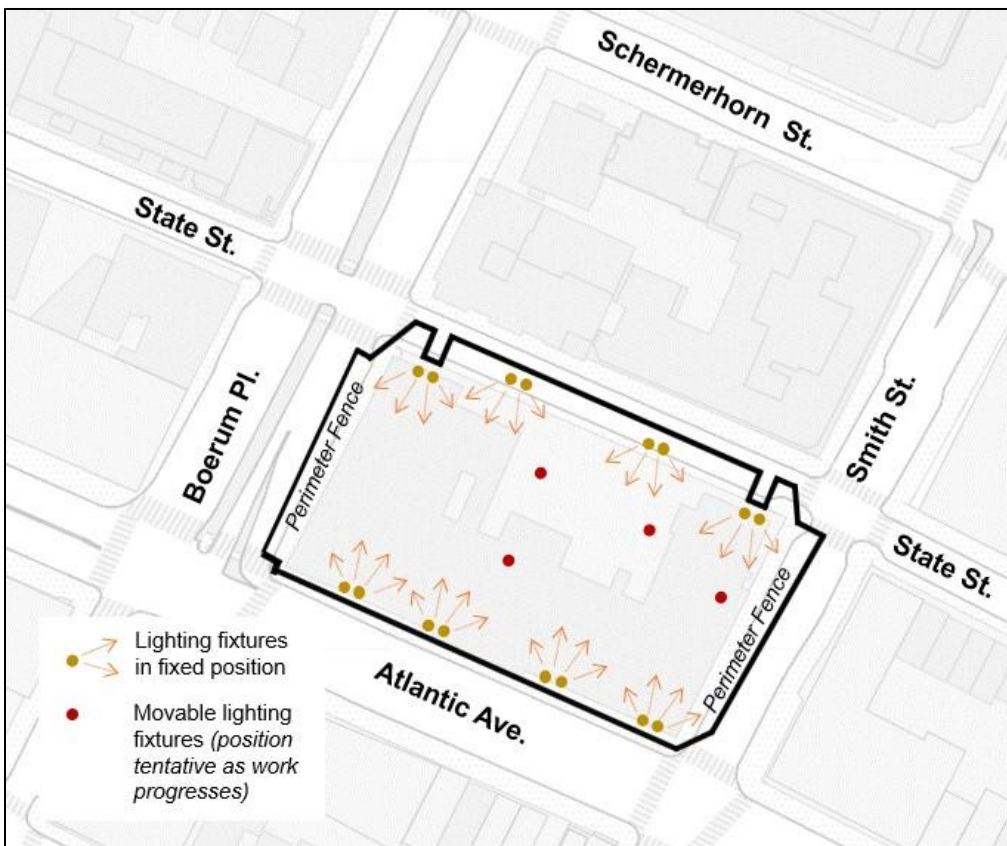

BOROUGH: BROOKLYN

ADVISORY ISSUED: (11/22/24)

Overnight Site Lighting

Planned to begin Monday 11/25/2024

In preparation for the installation of foundations for the new Brooklyn Borough-Based Jail Facility, site lighting will be installed beginning 11/25/24. For site safety purposes, the contractor requires lighting to be on 24/7. There will be (16) fixed light towers and (4) moveable light towers during the foundation work, as indicated in the graphic below. The movable light towers will be repositioned as required by new work areas. The lights will have side panels to direct the lights and will be pointed down into the construction area to minimize community impact.
