

COMMUNITY ADVISORY

PROJECT NAME: NYC BBJ Brooklyn Facility

PROJECT#: BBJ-KFAC

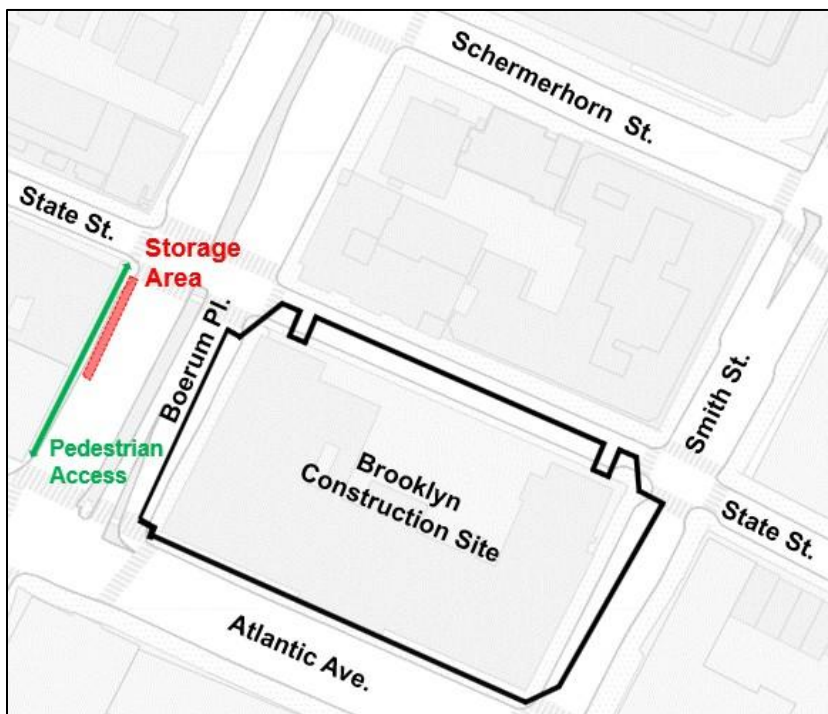

BOROUGH: BROOKLYN

ADVISORY ISSUED: (3/5/25)

Boreum Pl. Material Storage Area

Planned for Saturday, 3/8/25.

In continuation with the Brooklyn Borough-Based Jail Facility construction, Atlantic Ave. utility tie-ins are needed. TPC will use the current “No Standing Anytime” area at the corner of Boerum Pl. and State St. as material storage space for this job. The section highlighted in the graphic below will be used as the storage area and there will be no impacts to public parking, adjacent travel lanes, pedestrian walkways, sidewalks, or bike lanes. Pedestrians will have full access to the sidewalk as is currently available. Work will begin on Saturday 3/8/25 @ 9:00 am. Flaggers will direct all pedestrian and vehicular traffic as necessary. The storage area will be fenced and fully secure from public access. As a precaution, the storage area will also be baited for rodent mitigation. The storage area will remain for the duration of the Atlantic Ave. utility tie-in work, approximately 2 months.

If you have any questions or concerns or would like to learn more about this DDC Project, please call the Community Construction Liaison:

Lucien Allen
Community Construction Liaison
CCL Mobile: (917) 270-2370
BrooklynCCL@bbjnyc.com
CCL Office: 360 Atlantic Ave.

During non-construction hours please contact 311 for non-emergency city services.

PLEASE NOTE: Due to unforeseen conditions (weather, field conditions, etc.) it may become necessary to change some scheduled work locations and operations.
