PROJECT NAME: NYC BBJ Brooklyn Facility

PROJECT#: BBJ-KFAC

BOROUGH: BROOKLYN

ADVISORY ISSUED: (3/7/25)

UPDATE State St. Vehicular Access Restrictions

Planned for Thursday, 3/13/25.

In continuation with the construction of the new Brooklyn Borough-Based Jail Facility, extended concrete pours are scheduled for the west core of the new facility. As a result, concrete truck staging will make State St. open to Authorized Vehicles ONLY (DOC, NYPD, and Enterprise R-A-C). Flaggers will direct pedestrians and vehicles during this work. Pedestrian access on the north side of State St. will remain. The concrete pour itself will start at 9:00 am on both days and will continue for approximately 16 hours with an additional approximate 4 hours for site clean-up and restoration. Activities will be conducted within permitted hours for extended after-hours work.
